Hi hrhthedukeofyork

I want to apply to become member of your royal family today by going to the post office in Bull Creek suburb in Perth-Western Australia. I was told by hangout account holder: I pay AU\$200 to a certain lawyer in USA through my post office travel card: Mastercard. Could you please confirm this is real Prince Andrew

the account holder Princeandrewchchiristan Princeandrew is now chatting with me on Google Hangout messenger.

He started chat with me after 12-13 September 2019 on Hangout and at the same time on another face book account

After this man talked by phone now at 8:40 am Perth time, I found through his accent he is South African or African

So I just blocked him

As he lied he is Prince Andrew while his accent was different

Do I have to pay for Royal family membership to the Royal family lawyer in USA this person on doggy Hangout account gave me, or you yourself would direct me to your lawyer here?

scamnet.wa.gov.au

Could you please let management of ANZ bank in Australia, Attwel, Cockburn Central branch in Western Australia know so they can refund my money? How can I get my royal membership card then David Anderson only gave me a virtual card

Will you post my royal family membership card for free? I also reported this matter yesterday to www.actionfraud.gov.uk

www.actionfraud.gov.uk

actionfraud.gov.uk

How much did you pay for the membership card ?

If you could send me your official email address I would send you my virtual royal family membership card signed by The HM Queen

You can send it here for more transparency

I paid to the agent of royal family in Georgia, USA US\$515 including AU\$21 bank fees

I have my payment slips

Are you admin?

The great British royal membership card does not cost that amount so whoever did that was fake

I would like to see the card

For confirmation

I put them on my website and password it but due to privacy I prefer to send you if you give me your official email

It was VIP

Sorry I cannot give our such details

But I can always help you

Are you admin?

What help can you do to me?

I'm his pa

May I ask your name?

At Scamnet they told me Royal Family Membership card is Free

Amanda Thirsk

Therefore since I do not have your name I would post my letter to the Prince Andrew

I cannot send information on social media

Also I would send by post to the Wueen

Queen

Then I cannot help you sorry

I know admin never helped me

I'm not an admin I'm his personal assistant

Please tell about this message to Prince Andrew as I would send copy of these messages in the post to him and to the Queen to prove I could not get help from you here so I posted my letter

Also I give copy of these to Scamnet

Thank you madam

But I do want to help you but you want my personal details which I cannot give out

I need official email of the Duke of york

Not your email

Princeandrewedwardyork@gmail.com

At Scamnet they said these gmail accounts are scam

I would give this Gmail also to scamnet

Also I would post this to Queen

That would be very offensive if prince gets to find out what you are saying

It's a punishable act

No because government has announced no Gmail account would be accepted for payments it should be official email

I would take the risk
