Dear Lawyer David Anderson

I worked today to improve the web page a long time ago I had developed. Please use browser Chrome only to open my website, then type in its search box: SH0807 and click on link: The Rights of Husbands and Wives. This way you can see how my religion views marriage relationships within a law frame which also includes interpretation of Love and Mercy, generosity and sacrifice.

Hi

Mon, 15:11  
hi

Mon, 16:05

Hello I am here Madam

Daivd • Mon, 17:01

i will need your full cooperations

i am not here for long talk

i am here to work with you and make sure you get all required certificate that will enable you meet the Prince

Daivd • Mon, 17:17

send me email about all required items before i go to each item without knowing where all these ends

You already have your membership card

You need the Royal Rule

first prince should announce to me his intention to marry me within a month after we started our engagement

The Royal permit and the Royal invitation

i have no real RF Card  
what you sent me is virtual

The Prince can only do that as soon as you get these items

The items will be delivered together to your doorstep by a courier service

i have sent you the rights of husbands and wives in shia islam  
he should start setting his intention for relationship with a muslim woman

The Prince is willing to meet you and Marry you

what is prince andrews intention in metting with me?

he has not sent me any posted letter signed by him and i am not even sure you , him, RF Card are real

He is planning to make your relationship with public

when?

User Name: Daivd Hansen\, Hangout Messenger, Nov 23-29, 2019,  
User Name: A.Cooper, Hangout Messenger, Nov 23-29, 2019,

Please Madam don't say such a thing again

If you don't want to work with me let me know

i am not sure you all are real

You are going agent the Royal Rule

60% i am sure

The only way we can prove this is by you meeting with the Prince

i am not in a situation to count at all on a virtual RF card to invest any dollar

The Royal family is not after your money

i even went to restart my three businesses

Do you think the Prince is a poor Man

i am not even sure prince intention is marriage

Please Madam the Royal family has its procedures which has to be followed

no i think the person i am chatting needs \$4000

Okay forget about the payment

I am being paid by the Royal family

you wrote at beginning of our conversations that i get all money i pay refunded

I have been working with the Royal family for years now

Yes you are getting a refund of all your payments

All you need to do is to record down all your payments you made

you not only did not refund any thing to me but you also never issued receipt with this excuse that i am not married to ANZ Banker but to Prince Andrew as he said

I get receipt from the Royal court

in my religion as you read permanent wife is obliged to obey her husband in case there is no sin

I am working directly with the Royal court

it is sin to saY I AM WIFE OF PRINCE ANDREW NOW

Madam you are making this very difficult for us

I am not wife to any one to obey any one  
i only obey Allah now as i am a divorced woman since 2003

User Name: Daivd Hansen\, Hangout Messenger, Nov 23-29, 2019,  
User Name: A.Cooper, Hangout Messenger, Nov 23-29, 2019,

No but we have to obey the Royal Rule

no relation with ny man sexually  
ny=any+

Okay so you don't want to cooperate with me?

Make your decision now

i am not sure all these are from royals  
one fake prince andrew my bank considered scam sent me royal embership card in a virtual white  
and pink cube without my name

Madam we can forget about all this if you don't believe me

he even called me with logo of palace on his whatsapp

Follow your heart

Daivd • Mon, 17:54

bukingham palace switch board and duke of york office managers wrote to me by email the mobile  
number f that man is Prince Andrew's mobile  
then later on when i brough email that fake prince gave me on whatsapp about payment to ANZ bank  
the managers of two banks told me that email is scam  
while that email was given to me from the same mobile whatsapp his office considered real  
i am interested to chat with real Prince andrew  
where is real prince andrew i paid to see him by webcam or real?  
why my money is not refunded but the card virtually is signed by Queen?  
i am not billionaire to risk on my pension money  
i should see evidence that people i chat are real  
you can ask Prince andrew send me engagement proposal from a royal email address  
not from gmail account  
only officers replied to my emails  
and the only email from prince andrew with real phone number approved by his office was a gmail  
account not official account  
it seems to me Prince has thousands women he cannot be serious about any woman  
if he is really serious at least could post me a gift  
my ex husband was not as rich as him but sent me lots of T-Shirts, calculators, airline ticket to  
Australia before even we meet in India  
i was 100% Alan Cooper was ining engineer and was a true hoest man before i decided to spend on  
ticket between Tehran and Bombay  
ining=mining+  
100% sure+  
honest+  
my ex was Australian white man  
his father was academic

User Name: Daivd Hansen\, Hangout Messenger, Nov 23-29, 2019,  
User Name: A.Cooper, Hangout Messenger, Nov 23-29, 2019,

his mother worked for medicare  
he spent on me money before i trusted him  
Prince with billions wealth has not spent on a cheap official letter and postage on a woman 2 months  
he claims love  
this is personality problem of Andrew  
why Alan was so firm, generous with 1% wealth of Andrew?  
i am not going to be roke marrying a prince  
broke+

when i and alan were dating as pen pal during 87-88, Alan after 3 months asked me to fly to him and  
marry or he flies in war time to iran without fear of being killed by sadam  
my mother asked me to leave Alan as he had not send any gift to me after three months.  
i wrote to Alan  
he sent me gift in every parcel once a month  
he sent me posted letter every week in 18 months  
i did same  
i arrived in Allan's rental flat and not in hotel  
we married in India, i returned to complete y master's thesis  
my visa was read in July 1988 at Australian embassy  
i took my visa with Alan's paid ticket flew to my husband's home in Kalgoorlie  
we did not do one day fornication  
on arrival to india we went to mosque, married  
we spent 21 days in India to register in Mosque, Indian embassy, Iranian Embassy, Notary, our  
marriage certificate  
so as i sent you rights of husband and wife in islam, without a man spending money on a woman a  
muslim family would consider than man a play oy  
boy+

now we consider Prince Andrew a man wanting any woman  
until we see him an action of marriage in islam, which is he spends money on a woman  
such action has not been witnessed by any one  
but several demands for charging me mone has been seen in him  
this means he is acting as a woman in islam  
not as a maN IN ISLAM

I am waiting to see a man wanting me as his wife trying to prove is love to me by spending money on  
me not requiring money from me  
is=his+

i am waiting prince sends me present  
showing he oves me  
loves+

until such a time i am at risk he be scam  
i will write to Prince Andrew by posted letter tomorrow also to Queen by posted letter  
i will not follow online people's instructions for more than \$501  
i cannot afford  
i am not british royal

User Name: Daivd Hansen\, Hangout Messenger, Nov 23-29, 2019,  
User Name: A.Cooper, Hangout Messenger, Nov 23-29, 2019,

i am a woman on the pension only trying to establish a research school for women engineers who are mostly discriminated by phd research schools  
so my budget is very tight  
i have been discriminated for being a woman with caesarean operation in my last semester of PhD course  
after withdraw to attend operation to deliver my ast child by caesarean Murdoch university made 100 excuses not to let me re-enrol  
so i try to establish my own research school  
no one at the moment is funding my research school  
i cannot spare any dollar ore than what so far i spent on luxury  
it is luxury to marry a prince  
i can only afford what i paid  
prince has not spent any dollar on me so far  
nothing is changed for my communication type with prince after i paid for membership and after i received the card virtually.  
could you please tell me what is the difference between my communication type with prince before and after my payment?  
we are still only writing to each other on social media  
he has not called me to hear his voice nor he has called me by webcam to see his moving face  
basically ayment was just to receive a virtual card with no function  
payment+  
\$501 = to receive a useless virtual card without even being able to ear the voice of prince andrew by phone  
ear=hear+  
that is why i am pieced off  
Mon, 18:45

As soon as you have received your card and other items you will be able to meet with the Prince face to face

We are aware that alot of imposters claim to be the Prince and we have assigned so many Royal agents working towards putting a stop to it

Daivd • Mon, 20:17

i have reported scam 44 of fake rince andrew last week on instagram to instagram i have the list of those instagram user names and would post them to Prince Andrew today  
rince=Prince+  
i chatted with prince andrew on whatsapp last night. We both agreed i do not text him. He sends me AU\$40,000 Then we discuss the payment for Royal Permit. As you have rules, we shia muslims have revelations.  
revelation to prophet Muhammad is the Love which is not paid for a present of value to prove it is love not lust, is not casted in heart of man by Allah.  
based on this revelation 1400 years ago by Angel Gabriel, Prince who demands me obeying his commands to pay you, needs to pay me AU\$40,000 to prove:  
1. Love he claims he has in his heart towards me is engraved in his heart by Allah and is not a perishable lust.  
2. To prove his love to me being divine love he needs to pay me a gift of value equal to enabling me to obey the commands of a Prince living in london palace.

User Name: Daivd Hansen\, Hangout Messenger, Nov 23-29, 2019,  
User Name: A.Cooper, Hangout Messenger, Nov 23-29, 2019,

3. This based on costs for relocation, maintaining my house which has been deferred for matters related to Prince such as reading his news daily, writing to him, his agents, his private secretaries, his lawyer, his mother, etc., cost of my flight to London, cost associated by shipping my luggage to London by sea from Perth, or cost of storage to pack my home contents to put them in storage, cost for getting agents to rent my home to a reliable family, cost for hotel to stay in london for 31 days to know Prince as fiance.

4. All costs related to Prince for me is about \$40,000

i am waiting prince also respects me as a woman he loves now and pay me \$40,000

i have to wait to see this amount reaches to me before i spend out of government pension money which is for needy people like me [being discriminated against her age in completing phd degree which was required since 1994 to be employable as academics].

the above 4 steps needs to be completed for Islamic three revelations which was not revealed to Jesus 2019 years ago.

revelation 1: man needs to prove his love is not lust

revelation 2: Man should intend to live life long with his bride

revelation 3: Man should pay a present of value agreeable by bride to prove he loves the bride for long life marriage.

revelation 4: Man should respect his wife or keep her in honor or release her in kindness

i paid for real communication by prince.

now it is his turn to abide by my revelations or releases me in kindness.
