#### THE RIGHT WAY TO REPORT A COMPANY'S FAILURE TO PREVENT THE FACILITATION OF TAX EVASION

Self-reporting such a failure can be used as part of the company or partnership's reasonable procedures defence if it is charged with an offence. It can also be taken into account by prosecutors when making a decision about whether to prosecute and can be reflected in any penalties that are imposed.

#### THE LEGAL DIFFERENCE BETWEEN A CONSULTANT AND AN EMPLOYEE ACCORDING TO NICARAGUAN LAW

Knowing the legal difference between a consultant and an employee is important for a company that needs to hire someone in Nicaragua or for a person interested in rendering services for a company or another person, due to the fact that the nature of the contractual relationship will determine many factors that both parties must be aware of before executing the contracting modality that will govern the relationship between them - the nature of the contractual relationship impacts on the employment benefits, tax implications and liabilities that the parties must comply with according to the law. #### BUSINESS IN NICARAGUA- THE MOST IMPORTANT CHANGES IN THE RECENT TAX REFORM

In recent years, the country's government has been committed to improving Taxation in Nicaragua and attempting to follow the legislative model used by some of the other countries in the region. Starting January 1st, 2013, a new tax law (Law No. 822, Tax Concertation Law) came into force and completely changed the taxation system in Nicaragua. Two years later a new law was issued by the National Assembly containing more than 80 amendments, additions and repeals (Law No 891) which came into force December 18th, 2014.
