

19. UERGENT AMENDMENT OF FORMS 2 - AFFIDAVITS: A, B, D

Form 23 [26/2/2022] of the defendant was dismissed on 13/4/2022 due to error in email of the probono lawyer [would explain later]. Form 23 of the claimants was dismissed on 9/2/2022 due to going further than the orders of the Magistrate on 20/8/2021. This Form 23 of the Claimants for the second time with defendant's response in Attachment K23 to Form 2-[Affidavit-D-Payments] as part of Defendant's Form 23, was dismissed on 13/4/2022. Since in Orders 9/2/2022 the claimants could lodge only application for the default judgment, but they lodged Form 24 in response to defendant's Form 23 [dated 26/2/2022], the claimants cannot lodge the application for the default judgment, because their Form 24 is also dismissed.

Registrar is aware and has given option to the defendant to lodge new application.

Form 2-[Affidavit -A- Dividing Fence] was not amended in this lodgment 19/5/2022. Form 2-[Affidavit -B- Retaining wall was not amended either. Slight change in Form 2-[Affidavit -D- Payments] affected number of pages in one attachment decreases due to deleting repeated pages. Also one page was amended. In this Affidavit - D, Pages 230-234 marked on hard copy, are comments for some photos in attachment K23 is added. Also page 260 on hard copy is amended.

The purpose of the Amendment by the defendant in this pleat was to follow the registrar that all Affidavits should be submitted together.

Form 2-[Affidavit -C- Deed of Release] waited judgment of the magistrate for confusion around two views which the Magistrate chose 14 years instead of 2.5 years for age of the matters in Deed of Release 2008. This Affidavit -C- is in process, but most parts of it is written. Emails of J.Woodford is going to be extracted and added to this Affidavit soon.
