**Dear Royal Family (Attorney) Lawyer David Anderson and Scamnet Staff**

Hello to all [including the Private secretary of the Duke of York]

I have written **my email to you in a pdf file document with name: Scamnet\_email\_Dec3\_2019\_A.Cooper**. Please find this file at the end of attached files in right hand side. My email due to complexity of its virtual stakeholders has nine attachment files [1-9] which are referred in the body of my email. Please first download and print the above file which is body of my email in 4 pages, then look at the names of the **attached files** in its **page 5 of that document**.

Thanks for responding to me

**Yours Sincerely**

**Engineer Afsaneh Cooper**
